Lunch Snacks: The lunch lady will have snacks available for sale every day in the lunchroom for fifty cents. Snack money is paid directly to the lunch lady at your student's lunch time. **\$2.50 may be sent in on Mondays (to lunch lady) for entire week.**

Payments for lunches will be received in the office or may be sent in with your student and given to their homeroom teacher. Lunch payments can be made via check, cash or credit/debit card. Money will be put on your child's account and charges are applied at the beginning of each week. Should your lunch account credit become low or go into the negative, a lunch payment due slip will be sent home. Your child's teacher will take the lunch order from the students each morning, by a show of hands of those that do not have a lunch from home. It is possible that your child may raise their hand and order a lunch on top of the lunch you have sent in. **We ask that you talk to your child about this and set JP family rules on lunch ordering and quantities allowed. We do not allow children to share food. Please advise your children.**
